

How to build a bottle basking shark

You will need:

- Washed out plastic bottle 
- Sticky tape 
- Carrier bags 
- Permanent marker pen 
- Scissors 
- Garden cane 
- A helpful adult

- 1 Ask an adult to help you to cut off the ends of the plastic bottle, and shape the shark's head.

- 3 Draw on eyes and gill slits.

- 2 Cut up carrier bags into long strips of different colours and lengths. Tape to the back of the shark's head. You could have two layers - inside and outside.

- 4 Ask an adult to help you to poke a hole through the top and bottom, and push a cane through, taping in place.

Take him for a swim!
