Make a butterfly painting

You will need

- Water-based paints
- Brushes
- Pastel coloured sugar paper
- Marker pen
- Plenty of newspaper (to cover tables!)

1. Fold a piece of sugar paper in half, side to side, and open it out.

2. Paint the shape of butterfly wings on one half. Fold the paper over again and press it down.

3. Open out the paper and add more colours to one side. Refold and press.

4. When the butterfly wings are dry, add a body and antennae with a marker pen.
